Location: Lexington County, SC (near the
intersection of S. Lake Dr. & Two
Notch Rd.)
Resume Deadline: February 13, 2008 at
3:00 p.m.
Agency Owner: County of Lexington
Name Of Agency Coordinator: Janice A.
Bell, CPPB, Interim Procurement
Manager
Address: 212 South Lake Drive, Lexington,
SC 29072
Phone: (803) 785-8385
Fax: (803) 785-2240

General Scope Of Work:
Phase I Programming / Space Needs Assessment: Development of a detailed space allocation plan with unique solutions based on universal space standards for job specific tasks. The plan will include space allocation for three (3) agencies (SC Department of Social Services, SC Department of Health & Human Services & Lexington County Community Mental Health Center); waiting areas, restrooms, break rooms, etc. Programming should include, but not limited to, employee surveys & in-person interviews. The programmer must have experience with health services & HIPPA standards as it relates to space allocation. Respondent should include a fixed cost for this phase.

Phase II: Development of a detailed plan for the renovation of the Red Bank Crossing facility. The building design should include a unique solution for space needs & space allocations; parking; landscaping & signage. Design to also include work areas for three (3) agencies (SC Department of Social Services, SC Department of Health & Human Services & Lexington County Community Mental Health Center); waiting areas, restrooms, break rooms, etc. Current space to be renovated is approximately 51,000 square feet.

Architectural firms interested in being considered for this project should register with Lexington County Procurement to obtain additional project information & then respond with four (4) copies of the Letter of interest & resumes addressing the selection criteria identified above.

A Site-Visit & tour of the facilities will be conducted on January 31, 2008, at 9:00 am at the Red Bank Crossing property (intersection of South Lake Drive & Two Notch Road). At the time of the visit, attendees can raise questions or make comments regarding this Request for Qualifications. Any addenda or revisions resulting from this visit shall be developed as expeditiously as possible & forwarded to all attendees who were & vendors on bid list. It is solely the offeror's responsibility to ensure that any & all addenda resulting from the site visit are received by the offerors. Offerors requiring additional information concerning the site visit or the RFQ should contact Janice A. Bell, CPPB, Interim Procurement Manager, (803) 785-8385. Addenda must be acknowledged on the appropriate forms. Failure to do so may result in the rejection of the resume. All requests for information must be made in writing. The County is not responsible for verbal representations.

It is the responsibility of the bidder to e-mail our office at jbell@lex-co.com to be registered as a potential bidder to receive any subsequent amendments.

Resumes from firms interested in providing professional services for the above proposed project will be received until the date & at the location indicated below. Resumes shall include Federal Standard Form 254 & Federal Standard Form 255.

The agency selection committee shall evaluate each of the persons or firms interviewed in view of (a) the general architectural experience of the firm; (b) their specific architectural experience on renovation projects; (c) the general qualifications & technical competency of individuals in the firm; (d) the specific qualifications & technical competency of the individuals to be involved in the project as they relate to health care facilities; (e) past performance: firm must submit a comprehensive list of all similar projects completed within the past ten (10) years to include contact persons names, addresses, & telephone numbers; (f) their approach to meeting time & budget requirements; (g) the current & projected workload of the firm as it affects this project; (h) their insight related to the project & the site; (i) cost of programming / space needs assessment. Based upon these evaluations, the agency selection committee shall select all or at least three (3) which, in its judgment, are the most qualified, ranking them in priority order. When it is determined that the ranking report is final by the agency, written notification of the selection & order of preference shall be immediately sent to all of those that responded to the agency selection committee's invitation to submit information.

BIO SCIENCES/LIFE SCIENCES BUILDING – CONSTRUCTION

REQUEST FOR QUALIFICATIONS FOR CONSTRUCTION MANAGEMENT SERVICES

State Project H12-9871-SG

Clemson University Desires to obtain the
services of a Construction Manager-
Constructor to provide Construction Management at Risk for the development & construction

tion of a new lab building which will be located on the main campus at Clemson University.

The New Life Science Building will be a sustainable building designed to be LEED certified at a minimum Silver Level. The building is approximately 90,000 GSF (including penthouse, mechanical space, & site improvements) at a budget range of \$30-\$40M construction cost. The building will be primarily intense wet laboratory space with shared equipment rooms & offices for the faculty/researchers. There will also be meeting, class-lab & seminar spaces. Utilities will be provided by connection to existing underground distribution systems.

The University Has Contracted with Perkins + Will Architects to provide design services.

The University Intends To Engage the successful construction management firm for preconstruction services & the construction phase in order to meet an aggressive construction schedule & to construct this project within a limited budget. Preconstruction services are expected to begin in April of 2008. Early site work is expected to start in June of 2008. Building construction is scheduled to start in the Fall of 2008 & be complete by Summer of 2010.

Clemson University Embraces Diversity in all aspects of its function including use of minority businesses, vendors, or contractors in construction projects. Candidates will be required to submit a detailed plan in their proposal to implement this as part of the CM services.

The University Intends To Award the contract using a competitive negotiation process as authorized by Section 11-35-3020 of the SC Code of Laws, as amended. The Request for Qualifications (RFQ) is the first step in the competitive selection process. The second step includes a Request for Proposals (RFP) & an interview process. A detailed description of the process is included in the RFQ package.

Interested Firms Must Contact the office listed below to receive the specific submittal requirements & submittal format. Submittal format, specific submittal requirements & evaluation factors / descriptions will be sent immediately to firms responding to this request; therefore the response must include an email address.

Requests For The RFQ Package should be sent to Paul Borick, pborick@clemson.edu. They may also be obtained by calling Paul Borick, (864) 656-6708 or Claudia Johnson, (864) 656-2010.

The Qualification Package Must Be Delivered to the office listed below no later than January 31, 2008 at 3:00 pm.

The University Reserves The Right to reject any & all statements of qualifications, as well as to waive technicalities & informalities.
